26 January 2024

SUBJECT: Vulnerability Assessment (VA) of Websites and Information Systems

TO: Commander, CEISSAFP
Post
Attn: ACCS for Operations, C3

1. Reference: SOP Nr 12 dated 03 July 2020. Subject: AFP Vulnerability Assessment (AFP VA).

2. Per above references, this Group conducted a Vulnerability Assessment (VA) the following websites and information systems to evaluate any susceptible findings and to assign severity levels to the vulnerabilities.

- a. AFPSAT e-Portal
- b. AFPRESCOM RPMIS
- c. AFPMHP Website
- d. SOCOM Website

3. Based on the results of VA, this Group recommends redeployment of the abovementioned websites and information systems.

4. For information and reference.

NOMER C. BILBAO
